

Reservation rules for groups during winter 2019/2020

(Note: The general reservation rules also apply)

- Continuous advance booking is possible for groups between 1 October and 31 March.
- Groups of 4 people for 1 start time book by name.
- All groups have 1 contact person.
- The contact person is responsible for the timely registration and cancellation of members.
- For all groups the contact person at the club is Conny (Ledenadministratie@olympusgolf.nl).
- Always register your arrival to play a booked round. You can register at the counter, but preferably on the terminal in the hall.
- If a group or a flight in competition is not fully booked, it is possible that a member of Olympus or a green fee player who is not part of the group can be added.
- Groups with registered members who play all winter cannot book outside the group, except in a competition or on the day itself.
- The continuous advance reservation is not an acquired right. In case of questions please consult Conny (Ledenadministratie@olympusgolf.nl).
